2. (a) Under section 6(1), an individual is said to be resident in India in any previous year, if he satisfies any one of the following conditions:
- (i) He has been in India during the previous year for a total period of 182 days or more, or
 - (ii) He has been in India during the 4 years immediately preceding the previous year for a total period of 365 days or more and has been in India for at least 60 days in the previous year.

If an individual satisfies any one of the conditions mentioned above, he is a resident. If both the above conditions are not satisfied, the individual is a non-resident.

Therefore, the residential status of Mrs. Jasmin, an Australian, for A.Y.2021-22 has to be determined on the basis of her stay in India during the previous year relevant to A.Y. 2021-22 i.e. P.Y.2020-21 and in the preceding four assessment years.

Her stay in India during the previous year 2020-21 and in the preceding four years are as under:

P.Y. 2020-21

01.04.2020 to 10.08.2020	-	132 days
23.02.2021 to 31.03.2021	-	<u>37 days</u>
Total		<u>169 days</u>

Four preceding previous years

P.Y.2019-20 [1.4.2019 to 31.3.2020]	-	14 days
P.Y.2018-19 [1.4.2018 to 31.3.2019]	-	Nil
P.Y.2017-18 [1.4.2017 to 31.3.2018]	-	Nil
P.Y.2016-17 [1.4.2016 to 31.3.2017]	-	<u>Nil</u>
Total		<u>14 days</u>

The total stay of Mrs. Jasmin during the previous year in India was less than 182 days and during the four years preceding this year was for 14 days. Therefore, due to non-fulfillment of any of the two conditions for a resident, she would be treated as non-resident for the Assessment Year 2021-22.

(c) **Tax implications in the hands of HUF**

As per section 47, any distribution of capital assets on the total or partial partition of a HUF would not be regarded as transfer for the purpose of capital gains tax.

In this case, Aggarwal & Sons, HUF transferred the asset to Mr. Subhash Aggarwal, a member of HUF on total partition of the HUF. Hence, the transaction would not be regarded as transfer.

Tax implications in the hands of Mr. Subhash Aggarwal

If an immovable property is received by any person without consideration, the stamp duty value of such property would be taxed as the income of the recipient under section 56(2)(x), if it exceeds ₹ 50,000. However, it would not be taxable as income if the transfer is by way of a transfer, *inter alia*, on total or partial partition of a HUF.

In the give case, since Mr. Subhash Aggarwal received the house property on total partition of the HUF, it would not be taxable in his hand.

- (b) In computing the total income of any individual, there shall be included all such income as arises directly or indirectly, to the spouse of such individual from assets transferred directly or indirectly, to the spouse by such individual otherwise than for adequate consideration or in connection with an agreement to live apart.

Interest on loan: Accordingly, ₹ 75,000, being the amount of interest on loan received by Mrs. Shagun, wife of Mr. Suresh, would be includible in the total income of Mr. Suresh, since such loan was given out of the sum of money received by her as gift from her husband.

Short-term capital gain: Income from the accretion of the transferred asset is not liable to be included in the hands of the transferor and, therefore, short-term capital gain of ₹ 15,000 (₹ 90,000, being the sale consideration less ₹ 75,000, being the cost of acquisition) arising in the

hands of Mrs. Shagun from sale of shares acquired by investing the interest income of ₹ 75,000 earned by her (from the loan given out of the sum gifted by her husband), would not be included in the hands of Mr. Suresh. Thus, such income is taxable in the hands of Mrs. Shagun.

(c) TDS implications

(i) On payments made to contractor

Since Vikas is a salaried person and does not have business or profession income, TDS u/s 194C is not attracted in his case. In any case, the contractor is engaged for reconstruction of residential house, hence, the amount paid to him is exclusively for personal purposes of Mr. Vikas. Consequently, section 194C would not be attracted.

Tax is deductible @3.75% under section 194M, since payments to Mr. Naveen, a contractor, for reconstruction of his residential house exceeds ₹ 50 lakhs in aggregate during the F.Y.2020-21.

Amount of tax to be deducted = 3.75% of ₹ 60 lakhs = ₹ 2,25,000

(ii) Payment to transporter who has not furnished PAN

Under section 194C, no tax is deductible in respect of payments to a transporter, who owns ten or less goods carriages at any time during the year and furnishes a declaration to that effect along with his PAN to the person paying or crediting such sum.

However, in this case, this exemption from TDS would not be available, since Gaurav has not furnished his PAN to ABC Ltd. As per section 206AA, due to non-furnishing of PAN, tax would be deductible at a higher rate of 20% and not @1% provided under section 194C.

Amount of tax to be deducted = ₹ 2,50,000 x 20% = ₹ 50,000.
